## Make In India VIDEOMEET

## Available on

VideoMeet is an incredible way of teleconferencing, telecommuting, distance education, and social relations. VIDEOMEET allows users to initiate and experience high-definition (HD), multi-point audio/ video collaboration without dedicated telecom networks. Even a phone without the SIM card will work with the Wi-Fi internet.

It makes communication easier & secure with employees, teammates, partners, and customers. With VideoMeet high quality video and audio

conferencing, you can collaborate with colleagues, give presentations, perform product demonstrations, and deliver companywide messages up to

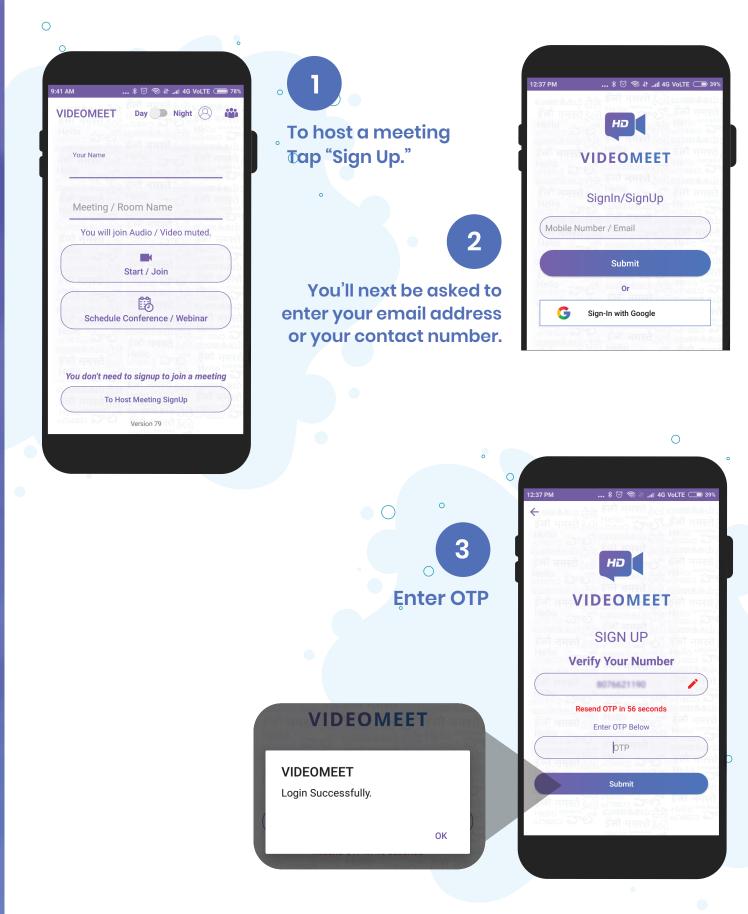

100+ participants.

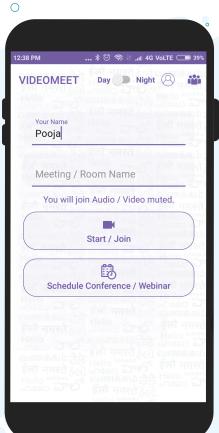

**Enjoy High Quality** Audio/ Video Conference
